

### Community Crafted Lending

Craft3 is a nonprofit community lender focused on building a thriving, just and empowered Pacific Northwest.

We invest in people, businesses, and communities — especially those that have been denied access to opportunity — and we work towards a future of shared prosperity.

**Craft3 Clean Water Loans are offered thanks to the support of many public and private funders and organizations, including the Department of Environmental Quality.**

## HERE'S HOW IT WORKS

- 1. **Apply** - Apply online at [www.Craft3.org/Homeowner-Loans/Clean-Water/Oregon](http://www.Craft3.org/Homeowner-Loans/Clean-Water/Oregon) or use the QR code in this brochure.
- 2. **Plan** - Work with your contractor to design your system, receive permits and finalize project cost.  
**NOTE:** Your contractor must be approved by the Department of Environmental Quality to conduct septic system replacement work. Contact your local health jurisdiction for a list of approved contractors.
- 3. **Sign** - Securely sign your electronic loan documents. By request, document signing is also available by mail.
- 4. **Install** - When your loan documents are signed, a deposit will be released to your contractor to initiate your project.
- 5. **Repay** - Repay your loan with automated payments from your bank account.
